Fair Share/Fundraising Opportunities **\$550**

The cost of educating a full time student at St. Joseph School exceeds the rate of tuition and parish investment. St. Joseph School uses a Fair Share program for grades K-8 that defines each family's requirement to participate in fundraising efforts to offset school operating expenses and manage tuition.

Examples of fundraising activities are our best selling Value Book, Kwik Trip gas cards, Rake-a-Thon and the Catholic United Financial Raffle. The profits are applied to each family's Fair Share obligation. Families may choose to participate in any or all of the fundraising activities to raise money toward the \$550 family obligation, or they may contribute the additional money necessary to meet the \$550 Fair Share obligation.

Scholarship Program

Our parish has a strong commitment to provide a Catholic education to all those that desire it. Cost should not be the deciding factor in your decision. St. Joseph School provides many families with tuition assistance. We will work with your family to make a Catholic education a reality. Let us show you the incredible opportunities for your children at St. Joseph Catholic School. For any questions about scholarships, please email Bonnie at bdelaney@stjosephwaconia.org.
