Good morning and Happy Solemnity of St. Joseph Day!

We have our material pickup set up for late this afternoon/early evening. In order to honor everyone's concerns, we are doing our best to coordinate this effort and stay compliant with regulations being recommended in terms of social distance. We have a Sign Up Genius set up for pick up times.

All Toddler – Grade 8 Parents: [Please click here to sign up for a time slot.](#)
We are asking that everyone move swiftly as they pick up materials.

Please come through the parking lot doors. The 2nd street entrance will be locked.

Checklist:

1. Get materials for your child – they will be by their locker. Bring a box. I've asked teachers to send you a picture of what is going home so that you are prepared.
 2. Stop by the office to pick up meds from Nurse Vickie if you need to do so.
 3. Drop off Raffle Tickets for the Winter Blast drawing in the office if you have them – the drawing will still take place tomorrow.
 4. If you see a staff member, please just wave and say, "Hi".
 5. If you see a friend, please just wave, say hi and then keep moving.
 6. We may have the library open for a quick book check out. Watch for signs on this in the building when you come.
 7. If you will be taking a school issued device, I will be preparing an Acceptable Use Policy for you to sign.
 8. Please take care of school books, devices, etc. We have invested a lot of your dollars into obtaining those materials and we don't want to purchase those again.
- Thank you for your unwavering support. You are greatly appreciated.

Bruce Richards

School Principal
