

# LIBRARY BOOK REQUEST PROCESS

The library will be open for book checkout while we are distance learning. All checkouts will be done online. Books must be requested through the library system or sent to me via email by Tuesday evening. Books will be available for pickup Wednesdays after 12:00. Books will be placed in bags in the office entryway (2<sup>nd</sup> Street) for pickup. All students have a library account set up for them and 3 – 8 students have been taught how to use it to request books. Parents may request books for their children using their child’s library account information.

Listed below are the steps to request books.

Happy Reading! – Mrs. Jager

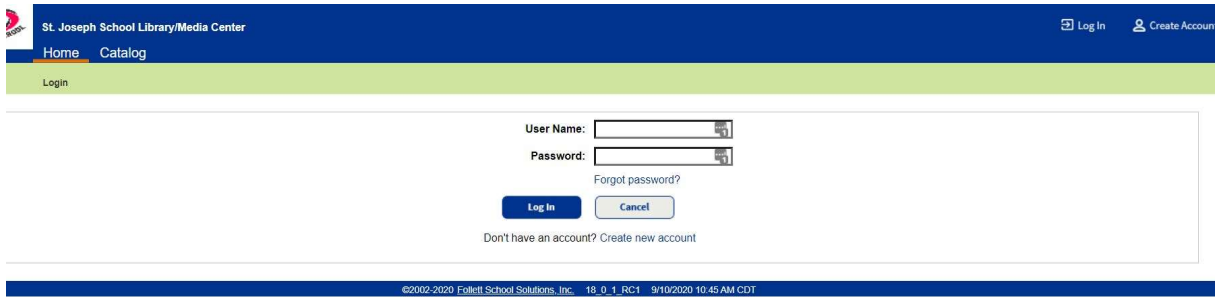

1. Click on this link: [HTTPS://stjosephwaconia.follettdestiny.com](https://stjosephwaconia.follettdestiny.com)

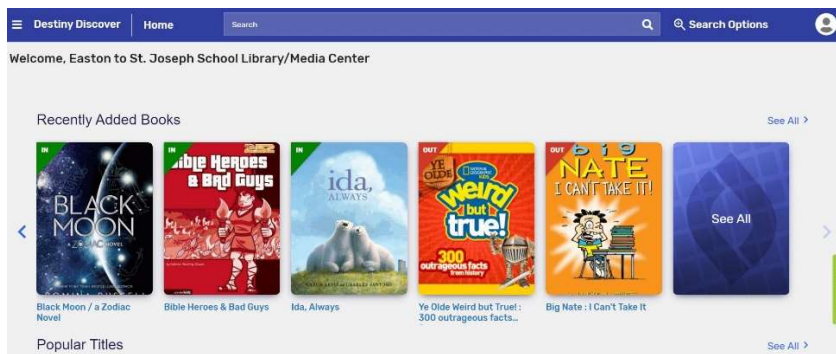

2. Click on the link “St. Joseph Library/Media Center”. It will bring up this page:

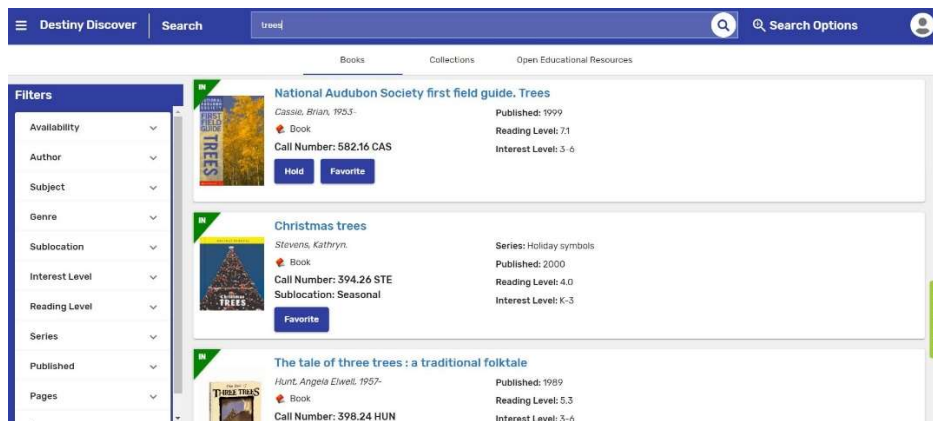

3. Next, click on the words “Log In” in the upper right blue bar and this screen will come up:

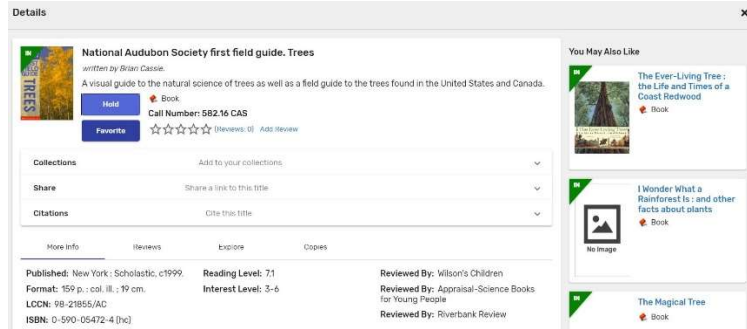

4. The user name for each student is the first three letters of their first name, followed by the first three letters of their last name. In the case of student Jane Doe, her user name would be jandoe. The password is their lunch number. If you do not know their lunch number, please ask your child, (they may remember it) or contact the office. After entering their user name and password, click on the blue log in icon.

5. Now you can enter in what kind of book you are looking for in the search bar at the top in the blue area. You can type in a subject, title, author, series, or just a key word. Click the appropriate icon after you have typed in your search words. I typed in the word trees and clicked on the magnifying glass icon, to bring up these results:

6. To learn more about a particular book, simply click on the picture of the book or the title to bring up a book details screen. At this point you can click on the hold icon to request the book, the favorite icon to add to your favorites list or click on the x in the upper right hand corner if you are not interested. Then keep searching!

7. Books that are put on hold will be delivered to your child’s homeroom in a timely manner. They can take them home at the end of the day. Please return the books to the book return box or to the child’s homeroom the following week. If you need the book longer, let Mrs. Jager know and she will renew them for another week. Repeat the process to receive new books. A student may have up to five books checked out at a time. Exceptions can be made in the case of needing books for research or projects.

Any problems with account information or questions about the process, should be emailed to Mrs. Jager.
