

Donation Request Letter

Dear Friends and Family,

My school, St. Joseph Catholic STEM School in Waconia, is having its annual *Marathon for Nonpublic Education* on November 12, 2021.

St. Joseph Catholic STEM School devotes a day to performing service acts throughout the community. We do this through our annual service raking event called, *Rake for a Reason*. We have been raking lawns in the St. Bonifacius, Victoria and Waconia communities for the past 19 years.

Our Day of Service

- Mass at 8:15 am
- Break into student and parent teams to rake the yards of community members who need a hand with seasonal lawn maintenance in our town and surrounding communities.
- Participating in Mackenthun's Annual Bag Hunger Food Drive.

I would appreciate it very much if you would sponsor me with a donation to support our efforts. This is a very important fundraiser for our school, and all of the money we raise goes directly to school needs. Please complete the donation form below and mail it directly to me, along with your donation check made payable to St. Joseph Catholic School. **All donations must be turned into our school office by Friday November 12, 2021.**

In return, our school would like to pray for any intentions that you have. Please list your prayer intentions below, and we will pray for all intentions at our Mass on November 12th.

Thank you very much for your support!

In Christ,
