This year, we're excited to incorporate the example of seven saints into the ways that we, as school staff, interact with students, parents, and each other — through Sainlty Service: Wisdom for Growing Catholic Community.

Thanks to the Catholic Schools Center of Excellence, we're uniting with other Catholic schools and putting words and faces to our traditions and practices by using the following saints and their charisms as guiding examples in our relationship-building:

- St. Benedict — Offer incredible hospitality**
- St. Teresa of Calcutta — Be assertively friendly**
- St. Ignatius – Assume positive intent**
- St. Therese of Lisieux – Pay attention to the little things**
- St. John XXIII — Foster a culture of joy**
- St. Joan of Arc — Take action and initiative**
- St. Francis — Be the change you wish to see**

Please join us by nominating a staff member for this month's Sainlty Service.

BECOMING A SAINT STARTS

with us...

**Opal Ehalt is our Saint Among Us this week.  
She is also the St. Joseph Silent Saint for the Month of September.**

**Opal is a parent to one of our 8th graders. Opal was a member of our school advisory committee, a curriculum consultant, and a parent ambassador. She is also active in the parish as a lector. St. Joseph is blessed to have Opal as a part of our St. Joseph community!**

## Volunteers Needed!

Dear SJS Families,

Many years ago, there was a need at St Joe's. The need was basketball uniforms for St Joe's students/athletes. A group of parents came up with the idea to host a 3-on-3 Basketball tournament to help raise money to purchase the uniforms.

28 years later the tradition continues.

On Sept 17th we will host up to 100 3-on-3 teams from 11 AM to 4 PM. Immediately following we will host some of the best High School basketball players in the state and up to 500 fans for the St Joe's Annual High School Slam Dunk and 3-point contest. All the money raised at these 2 events helps fund our Activities Programs. Robotics, Athletics, and Math Team to name a few, and allows us to keep our Activity Fees minimal. (This day generates on average \$13,000 for our kids!)

We need your help! We need everyone! This is an all-hands-on-deck/community event! No experience is needed!

Please direct your questions to me and sign up by clicking the link below!

Sincerely,

Mr. Shawn Sutherland
