C-STEM Curriculum Night

CATHOLIC | SCIENCE | TECHNOLOGY | ENGINEERING | MATHEMATICS

Tuesday, September 6th from 6-7:45pm

Curriculum Night is an opportunity for parents to come in, learn what your child will be learning in class for the upcoming year, and ask questions. The schedule is as follows:

- 6:00pm – 6:20pm: State of the School Address with Principal Richards (gym)
- 6:25pm – 6:45pm : Meet Your Teacher Session #1 (classrooms)
- 6:50pm – 7:10pm : Meet Your Teacher Session #2 (classrooms)
- 7:15pm – 7:35pm : Meet Your Teacher Session #3 (classrooms)

If you have one child, you could get done early but families with multiple students or middle school students are encouraged to attend the additional sessions. If you have any questions about Curriculum Night, please contact your homeroom teacher.

Curriculum Night is a parent only night. No RSVP required.

Mark your Calendars!

SAINTS AMONG US...

BECOMING A SAINT STARTS

with us...

Jenny Donato is our first Saint Among Us for the school year. Each week we will feature someone here.

Jenny has a third-grade student here at St. Joseph's and has been an active volunteer for the past two years. She is the head of our Gala committee and a weekly lunchroom volunteer. Recently she became a staff member. She is working hard to coordinate our volunteers and help with enrollment. We are so blessed to have Jenny as part of our St. Joseph community!

Volunteers Needed!

Dear SJS Families,

Many years ago, there was a need at St Joe's. The need was basketball uniforms for St Joe's students/athletes. A group of parents came up with the idea to host a 3-on-3 Basketball tournament to help raise money to purchase the uniforms. That was the first Nickle Dickle Day!

28 years later the tradition continues. Nickle Dickle is now a community celebration.

On Sept 17th we will host up to 100 youth 3-on-3 teams from 11 AM to 4 PM. Immediately following we will host some of the best High School basketball players in the state and up to 500 fans for the St Joe's Annual High School Slam Dunk and 3-point contest. All the money raised at these 2 events helps fund our Activities Programs. Robotics, Athletics, and Math Team to name a few, and allows us to keep our Activity Fees minimal. (This day generates on average \$13,000 for our kids!)

We need your help! We need everyone! This is an all-hands-on-deck/community event! No experience is needed!

Please direct your questions to me and sign up by clicking the link below!

Sincerely,

Mr. Shawn Sutherland
