Karyn Willenbring is an alumni mom who continues to offer our school support every day. She is a teacher by trade but works at St. Joe's in a volunteer capacity. Karyn has an incredible amount of knowledge in the *Science of Reading*, and she joyfully offers support to students. She does this because she is passionate about giving students the tools they need to be able to read and be successful learners. She is also an amazing resource for our teachers. She is helping to lead two professional learning communities in *reading and writing literacy* for staff members.

Thank you Karyn for all you do and for sharing your passion with St. Joe's students and staff.

**Join us this Sunday
for Youth Group & Youth Mass**

Hello amazing Middle School parents, we have listened to our youth,
and we are starting something special for them.

A St. Joseph youth group has blossomed, and we would absolutely love to see our
SJS middle schoolers and siblings in grades 6-12 join us Sunday evening.

We will have snacks, games, and conversations about what our dreams are for the
year and then we will celebrate Mass together and YES, this will fulfill their Sunday
Mass obligation. We hope that you can join us.

**Join us in the Parish Center (church basement) for Youth Group at 6:00 pm, then
Mass in the Chapel at 7:30 pm on the 2nd & 4th Sundays of the month.**
