Pie in the Face

What's the perfect way to show how much you appreciate what your teacher does for you every day? The hours of preparation before every class. Taking time to help you when you don't understand an assignment. An encouraging word or maybe a sticker for a job well done.

How can you ever repay them?
You splatter them with a nice whipped cream pie!

As part of the Saints Gala festivities, families will have an opportunity to purchase a whipped cream pie for their child to apply to the face of one of their teachers. Use the link below to purchase your pie.

All proceeds from this event will support
St. Joseph's Annual Fund.
